

REPLACE YOUR BOOTS, PREVENT A BIGGER AND EXPENSIVE REPAIR

BOOTS REPAIR KIT

Water and dirt can make them fail:

Transmission → Protect it with CV JOINT BOOT (50*)

Steering rack → Protect it with STEERING BOOT (51*)

Shock absorber → Protect it with SHOCK ABSORBER PROTECTION KIT (52*)

CHECK AND REPLACE THE BOOTS WITHIN EVERY MAINTENANCE OPERATION

ERT manufactures under the same specifications as OE.

And therefore we have the ISO 9001:2015 and IATF 16949:2016 certifications.
